

Honey Paw and Lightfoot

In *Honey Paw and Lightfoot*, readers are given a firsthand, compelling glimpse of grizzly bears. Illuminated by Jonathan London's spare, lyrical text and Jon Van Zyle's spectacular illustrations, this is the story of mama bear Honey Paw and her offspring Lightfoot, from his earliest days as a newborn, no bigger than a hamster, to curious cub to adolescent bear ready to head off on his own. And for readers who want to learn more, there is an afterword providing detailed information about grizzly bears including their relationship to indigenous cultures of the north and threats to their survival.
