

Kevin Koala and the Golf Challenge (Kevin Koala Sports Challenge Book 1)

Kevin Koala is bored. He stares at gum leaves day after day and he needs some excitement. There is a golf challenge with other Australian animals so he decides to play. There are obstacles such as Cecil the Crocodile, a Goanna and Edward Emu who likes eating golf balls. Golf becomes a greater challenge than Kevin imagined. A fun story about native Australian animals. The book has illustrations mixed with actual photos.
