

While You Were Sleeping (Fun Facts)

Discover the amazing things that happen around the world while you are asleep! Books are often used to put children to bed. But what happens after we close our eyes? The world keeps spinning, people go to work, machines plug on, and many of the Earth's living creatures are just waking up! **WHILE YOU WERE SLEEPING** is going to fill its readers in on everything they're missing after they drift off to sleep. The book is divided into six chapters (animals, the human body, space, pop culture, and sports), with each chapter focusing on different activities that happen every night. The pages will have fun and kid-friendly, full-color illustrations throughout.
