

The Bedtime Train

A bedtime book for dads to share. When its hard to go to sleep, watch out for Brad (who looks a lot like Dad!), engineer of the Bedtime Train. Hell take you to places wild (filled with bears and wolves and alligators) and full of adventures. Will that bridge tumble? Will those dinosaurs bite? Not to worry. The Bedtime Train is invincible, especially with Brad at the throttle and you in command! And when you get home, sleep awaits you in a warm bed.
