

# Blood and Goo and Boogers Too: A Heart-pounding Pop-up Guide to the Circulatory & Respiratory Systems

This companion to the popular Chewy, Gooley, Rumble, Plop! reveals the sticky, sniffly secrets of the respiratory and circulatory systems in all their three-dimensional glory. With layers of pop-ups, pulls, and flaps, this second book delivers the goods on everything from smelling and snot to blood and scabs, and all with Steve Alton and Nick Sharratt's trademark humor and panache plus an awesomely authentic-looking squishy booger on the cover (ew!). Warning: Choking Hazard - Small parts. Not for children under 3 years.

This pop-up book is a cartoony guide to the circulatory and respiratory systems with plenty of boogers, blood and germs as well as tabs, levers and flaps that **Blood and Goo and Boogers Too : A Heart-Pounding Pop-Up Guide**.
