

## Marks Messy Room

Carlo is one unhappy cat. That's because he lives with Mark in the messiest bedroom in town. Carlo can't even find a place to lie down, so he plans his escape to the house across the street, where Lisa keeps her room so nice and neat. But neatness has its price: how many baths can a cat take in one day? Upset by his missing cat, Mark knows he must finally clean his room. As both he and the over-pampered Carlo are learning, maybe the true meaning of home is having your best friend close by. A quirky story brought to life with hilarious art.
