

A Day and Night in the Forest (Caroline Arnolds Habitats)

Cheerup, cheerup! Cheerup, cheerup! A robins song begins and ends this book, but its the 24 hours in between that will fascinate readers. Award-winning author/illustrator Caroline Arnold details one full day of animal activity in a deciduous forest habitat, using her cut-paper illustrations and a story-like narrative entertains kids and as it informs them about forest life.
