

Diary of a Fly

This is the diary ... of a fly. Even though she's little just like her best friends, Worm and SpiderFly, she wants to be a superhero. And why not? She walks on walls, sees in all directions at once, and can already fly! Doreen Cronin and Harry Bliss, the team behind the #1 New York Times bestsellers *Diary of a Worm* and *Diary of a Spider*, reach hilarious heights with their story of a little fly who's not afraid to dream big. Really big.
