

Henry the Christmas Cat

Henry, a spunky Siamese cat, always follows his family wherever they go -- and Christmastime is no exception! When The Kid takes part in the towns Christmas pageant, Henry is determined to be in it, too. After all, the manger sure makes a comfortable bed. And who says cats cant sing Christmas carols?Of course, wherever Henry goes, adventure follows. And soon he finds he must play a shepherd offstage in order to save the pageant. But if this cat cant do it, no one can! Mary Calhouns sparkling, amusing tale and Erick Ingrahams luminous illustrations will enchant Henrys fans at Christmastime and the whole year through.
