

Leprechauns in Disguise: A Halloween to Remember (Leprechaun Adventures Series) (Volume 3)

Mr. McAllister meets a new challenge in this third book of the Leprechaun Adventures. Book 1, Discovery in the Woods, was just that ... discovering a leprechaun in the back woods! Book 2, Room For One More, told the story of Mr. McAllister meeting a new BIG friend. Book 3, Leprechauns in Disguise, tells the hilarious tale of Mr. McAllister's very first Halloween night. From carving pumpkins, to finding a costume fit for a wee man, to facing his biggest fear, and finally to having an unforgettable Trick-or-Treat experience, Mr. McAllister is at it again. You'll love seeing Halloween through the eyes of a leprechaun!
