

## Here Are My Hands

Ideally suited to the board-book format, *Here Are My Hands* invites very young children to respond spontaneously and creatively as they learn the parts of the body. The rhyming text and bold illustrations do more than name the eyes, ears, nose, and toes. By featuring children of many different backgrounds, the book quietly celebrates the commonality of people around the world.

**Here are my hands / written by Bill Martin and John Archambault** Somehow, my 14-month-old started identifying several of her own physical features (including neck!) by close approximations of their names after only 3 or 4 **Here Are My Hands video - YouTube** - 2 min - Uploaded by loonytrickyno copyright infringement is intended - for educational purposes only. **Here are My Hands Passion City Church** Paperback book: 32 pages.
