

Names of Heroes of the Faith

They slew giants, defeated kingdoms, parted waters. Yet they were not super heroes with super strength or super powers; they were real people just like us, used by God because of their incredible faith. Join Mark Tabb as he explores the names of Gods followers listed in the Bibles Hall of Faith of Hebrews chapter eleven. You will learn the biblical significance of their names, and will discover Who stood behind their greatest triumphs and what brought about their most devastating failures.
