

# Hickory Dickory Dock (Classic Books With Holes)

In this entertaining retelling of the traditional nursery song, the mouse is only one of many animals to climb the clock. Who slides up at three o'clock, and who will bounce up at ten? Look through the holes in each page to see which animal is next, and make up some of your own. You're sure to enjoy this hilarious introduction to telling the time! Bright, colourful illustrations, innovative die cutting and popular rhymes make Books with Holes a must for every child.
