

Histoire De Babar Le Petit Elephant

Copyrighted 1939, published in France, one of the books in the famous Babar series. What's interesting (and unusual) is that the text in this book was done all in script! (like on the cover where it shows le petit elephant.... the entire book is done in script). This is The Story of Babar from his birth, growing up, and eventually being crowned king and marrying Celeste. Lovely book.
