

Thanksgivukkah (A Childrens Rhyming Picture Book about Thanksgiving and Hanukkah)

Thanksgivukkah is a fun story about Mason and Maya who are preparing to celebrate their Thanksgiving dinner, while neighbors Jarrod and Julie are getting ready for the beginning of Hanukkah. Mason and Maya tell the others what they like about Thanksgiving, while Jarrod and Julie do the same for Hanukkah. In the end, everyone agrees that they should enjoy their holiday time with family & friends, and of course, the great holiday food too! Each book page (there are a total of 11) contains a colorful picture that follows the events of this combination holiday story with Mason, Maya, Jarrod, and Julie. I hope you and your children will enjoy!
