

How to Make Friends and Monsters (A Howard Boward Book)

Some Friends Are Just Worth Making For Howard Boward, science genius, making friends in middle school is hard. The other kids have more fun creatively expanding Howards name than actually hanging out, as in How-weird or How-Lame. . So, why not actually make a friend? A little wonder putty, some DNA, a few accidentally spilled chemicals and?boom!?instant friend. Monster friend, that is. Franklin ends up being cool in middle school, and he helps Howard climb the uber-popular ladder, becoming How-Cool. But the new fame and friendship isnt exactly everything Howard hoped. Turns out real friendship might not be so simple, even when you create your own friends from scratch.
