

The Book of Joshua

Originally written as part of The Expositors Bible, this commentary takes the form of a series of essays conducting the reader through the principal events recorded in the book of Joshua. Preachers will find this a valuable source as it unfolds each event and seeks its application. At the same time it is readable enough to benefit all types of reader. William Blaikie (1820-1899) was a Scottish Presbyterian minister who pastored in the Free Church and served as Professor of Divinity at New College, Edinburgh. Based on an edition of this book published in 1893, this has been completely re-typeset for issue as an eBook.
