

Journey through Ash and Smoke (Ranger in Time #5)

Ranger is a time-traveling golden retriever with search-and-rescue training. In this adventure, he goes to Viking age Iceland, which proves to be tough terrain for Ranger to navigate. Usually its Rangers job to save the day before he can return to his family, but he meets a girl named Helga who rescues him more than once. And when a nearby volcano threatens to erupt and Helgas new baby brother or sister starts to come early, they must journey through ash and smoke to find Helgas father. But if Helga doesnt need Rangers help, how will he ever get home?
