

Get Out of My Bath!

Ellie the elephant loves to have fun in the bath, but she's not the only one. Her fun is interrupted when a crocodile decides to join her, followed by a flamingo, then a mouse and even a tiger! Poor Ellie's bath is ruined. What can she do? She sucks all the water into her trunk, of course! Then she waits until all the uninvited animals have left before squirting it back. Finally she can enjoy her bath in peace! A beautifully designed, boldly illustrated picture book for the very young in which readers are encouraged to get involved in the story through tilting and shaking the book.
