

Leonardo Da Vinci a Memory of His Childhood

Freud provides a psychoanalytical interpretation of da Vincis The Virgin and Child with St. Anne. According to Freud, the Virgins garment reveals a vulture when viewed sideways. Freud claimed that this was a manifestation of a passive homosexual childhood fantasy that Leonardo wrote about in the Codex Atlanticus, in which he recounts being attacked as an infant in his crib by the tail of a vulture... This edition of Leonardo da Vinci, A Memory Of His Childhood contains additional material: a brief biography of Leonardo da Vinci, by Maurice Brockwell quotes of Leonardo da Vinci a timeline of Leonardo da Vincis life.
