

Life on the Farm: Story Seven - Adventure with the Geese

ABOUT THE STORY: Nathan and Rebecca live on a farm with their mom and their dad. Not very far away on another farm lives their favorite person in all of the world, their Gram! They phone Gram almost every day to see if they can go over to help her to pick the eggs and she always says, Sure, come on over! One day they call her and she tells them that she has new animals at her farm. They are very excited to go and see what Grams new animal is. On the phone, she makes them guess what she has. They guess a lion, a tiger and even a bear! No, she says, They are not lions or tigers or bears! They run down the pathway to Grams, scoot carefully under the fence and knock loudly on her door. She welcomes them with a big hug. They go together to the barnyard to see Grams new animals. Nathan and Rebecca have never seen one of these before and Gram tells them that they are tame geese. Come join Rebecca and Nathan as they share with you their adventures with the goose, the gander and the goslings!
