

The Octopus (Seaside Bath Books)

They're waterproof, they're floatable, they're washable, and they're a delightful fun addition to Baby's bath! Each Seaside Bath Book tells a funny, illustrated little story for toddlers about a sea creature and his friends. Baby gets an extra surprise when he presses one of the book's pages and hears it give off an amusing little squeak. Every book comes packaged in a net bag with a floatable toy image of its book's title character. The accompanying toy animal can be squeezed and filled with bath water--then squeezed a second time to squirt the water out. Bath time becomes fun time for babies with any one of these delightful books.
