

Shadow

Adventure, romance, and magic fill this tale of a girl who longs for love and freedom, and above all, to know herself. In a time of kings, queens, and conspiracy, it's impossible to know whom one can trust... . In a kingdom far away and long ago, it was prophesied at her birth that the queen would die before her sixteenth birthday. So Shadow, an orphan girl the same age as the young queen, was given the duty to watch her every move. And as prophecies do tend to come true, the queen is poisoned days before her birthday. When the castle is thrown into chaos, Shadow escapes with a young knight, whom she believes was betrothed to the queen. Unsure of why she is following Sir Kenway, but determined to run as far from her longtime prison as possible, Shadow sets off on an adventure with the handsome knight. But the kingdom is dying around them, and Shadow senses there are unknown forces at work. As mystery and romantic tension build, will Shadow uncover her own destiny?
