

## Windsurfen - Action for Kids (German Edition)

Der Wind zerrt am Segel, das Board hammert über das Wasser. Salzwasser auf den Lippen, Sand zwischen den Zähnen und unvergessliche Erlebnisse mit den Freunden am Strand. Wir erleben die Surfer, ihre Ausrüstung und die Wettkämpfe aus nächster Nähe. Steffen Kjaer ist Journalist und Autor der Reihe Action for Kids. Ein Jahr lang begleitete er eine Gruppe junger Surfer, die hier begeistert vom Windsurfen, ihrer Kameradschaft und von großen Traumen erzählen. Das Buch ist mit beeindruckenden Bildern illustriert.
