

Honk Honk! Beep Beep!

Honk Honk! Beep Beep! Father and child rise early for a trip to watch the sunrise on the mountaintop. Along the way they meet many friendly faces, some headed the same direction, and others in their own vehicles big rigs, bulldozers and trains--with their own places to go and things to do. Nothing beats the start of a brand new day, especially when there are many vehicles to spot along the way. With a simple, playful text and boldly colored, toy-like illustrations, Daniel Kirk captures the fun of a special drive.
