

## The Lion Who Couldnt Roar

Theodore was a young lion with an embarrassing problem. No matter how hard he tried, he could not roar. And then he met Hew, a lamb who could not find his way home. The two set out on a marvelous adventure seeking to solve their problems. They meet many animals along the way. But it is not until they come face to face with a hungry wolf that Theodore discovers an amazing truth about himself. Author John Powers presents a delightful parable about finding our gifts and using them. The Lion Who Couldnt Roar is a captivating tale which shows that inner strength can surface at the most exciting and dangerous moments, just when it is most needed.
