

Scallywags Blow Their Top

The Scallywags are a band of unruly wolves who find it hard to behave properly. But after they storm out of the Forest Show, they meet their match in the shape of a little sheep. Its not long before they are begging to be accepted again by the other animals. A brilliant follow-up to The Scallywags that shows, in the funniest possible way, that it doesnt pay to lose your temper. From the bestselling creator of the Hugless Douglas series, which has sold over 1.4 million copies in 26 languages. A useful story to show children that its no fun being at the receiving end of a bad temper.
