

# The Wisdom of Crowds: Why the Many Are Smarter Than the Few and How Collective Wisdom Shapes Business, Economies, Societies, an (Chinese Edition)

Pub Date: 2013-10-01 Pages: 352  
Language: Traditional Chinese Publisher: Yuan-Liou in this book is not absolutely amazing. columnist for The New Yorker (The New Yorker) magazine Surowiecki (James Surowiecki ). is committed to explore a cognitive although very simple. but in fact it very idea of ??complexity: a large group of people than a small group of elites. but also more intelligent. no matter how intelligent these elites. the former is better at problem solving. better brewing out innovation. better make wise decisions. and even more accurately predict the future. These seem inconsistent with our intuitive ideas can stretch out many branches. in-depth business operations. among the accumulation of knowledge. integrated economic system. and even our daily lives. Authors Surowiecki. with his watch seems endless extensive knowledge. as well as fresh and pleasing narrative....
