

## Thankful for Cody: Personalized Gratitude Book (Personalized Childrens Books)

THANKFUL FOR CODY is a personalized book of gratitude. Throughout the book, the narrator (an adorable dog) expresses love and gratitude for CODY, including the day CODY was born. With charming rhymes and beautiful illustrations, thanks are also given for love, kindness, friendship, nature, playgrounds, games, books, art, music, sports/play, sleep, and more. The positive affirmation I AM THANKFUL is repeated throughout the story. Studies show that an attitude of gratitude has a positive impact on sleep and health. In addition, affirmations can positively impact childrens ability to overcome stressful situations. But most of all, children will love hearing the very own name read aloud and printed on the page! You're never too old to be reminded that you should love yourself and celebrate all that is great about you! As with all of this author's books the pictures are great, and we have as much fun looking at the pictures as we do reading. ~ Stephanie This book has a warm, playful theme that kids will love, adults will feel good reading such positive affirmation for their kids to read over and over again. I highly recommend a copy for home and as a gift for loved ones! ~ Sarah F As a mom of two little girls, I'm pretty picky about their toys and books. My 2 year old likes dogs, but is a bit nervous around big dogs and loud dogs. This book has been effective at helping her to build confidence in herself and around animals. What a great combination! ~ Amy Michael loves his book. I also purchased one for my 2 granddaughters Morgan and Reagan. I gave the books to them at Easter and they are really enjoying them. They get very excited hearing their name. ~ Debbie D
