

## True Princess: Embracing Humility In an All-About-Me World

A True Princess is special because she is the daughter of someone special. Everything she does points back toward her Father. If a princess acts recklessly, it isn't just her reputation that suffers. The honor and image of the throne is at stake. Help girls understand that their sense of entitlement won't get them anywhere in the kingdom of God. Humility is essential, and True Princess will guide girls in grades 6-12 through Scripture as a group and individually to help them understand the importance of living as a daughter of the King.
