

The Hatchling and The Leveret (a great book for Kids Ages 6 - 10)

Ever wondered what happened in the years after the tortoise and the hare had their challenge? Learn about how two little animals, Ollie and Rickie become friends despite the hurdle that came about after that race. This short childrens book is a simple read geared towards the 4-10 age groups. Your children will learn that you should look beyond what others say about someone and get to know them for yourself.

: Underwraps Babys Chicken Belly-Babies: Clothing Children fed formula made with fluoridated tap water are at higher risk to develop 18-22 years of age after 13 years discontinued water fluoridation in Okinawa.
